MEMORANDUM FOR: The Honorable Morton I. Abramowitz
Assistant Secretary for Intelligence and Research
Department of State

SUBJECT: Joint Paper on Impact of US Sanctions on Angola

1. Pursuant to your memorandum of 7 May 1987 to Acting Director Robert M. Gates and our telephone conversation of 14 May, attached is a draft paper encompassing responses prepared by CIA's Directorate of Intelligence to the questions posed by the Interagency Group chaired by Assistant Secretary Crocker and forwarded by you. The attached draft is forwarded for INR's review, comments, proposed changes, and coordination.

2. Upon receipt of INR's comments, we will undertake to coordinate any changes with the Directorate of Intelligence and forward the agreed final product to the Interagency Group.

3. We note that an expanded discussion of the question of UNITA capabilities to attack Angolan oil facilities is being prepared by the Directorate of Intelligence in a typescript memorandum in response to a specific tasking by the National Security Council staff.
